Subject: Re: Access to the Church and Schedule

We are en route to Alabama and will be meeting with Tallassee residents this afternoon to continue planning and to confirm arrangements. I'll call or email later this afternoon.

Please feel free to make alternative backup arrangements for a location if you'd like but it's my understanding that **Ex. 6 Personal Privacy (PP)** are reaching out to the individuals on your list to determine where they are comfortable meetings no and their availability.

I'll try to reach you before the end of the day by phone. Let's also plan on meeting over lunch tomorrow as you suggested.

Best,

Marianne

Hello, Marianne – I wonder how things are looking on your end for our ability to use the church for interviews and the availability of residents to be interviewed. All systems are go from here in terms of our visit. I can make calls to attempt to locate a neutral, suitable meeting site if the church is not available.
